

## Summer and Fall Lateral Entry Course Offerings

Isothermal is pleased to offer a variety of online course options for lateral entry teachers including courses to satisfy competencies in:

- Curriculum, Instructional Planning & Assessment
- Instructional Methods
- Reading in the Content Area
- Meeting Special Learning Needs; Intro to Exceptionalities; Diversity
- Classroom Managements or Learning Theory; Learning Styles; Motivation; How Adolescents Learn
- Lab Management and Safety/Environmental Safety & Health
- Career and Technical Student Organization
- School Policies and Procedures and Procedures
- Home/School/Community Collaborations
- Educational/Instructional Technology
- School Age Issues

We are currently accepting applications for summer and fall semesters. For more information about the admissions process visit <http://www.isothermal.edu/admissions/requirements/lateral-entry.html>.

### **Registration Calendar:**

April 4<sup>th</sup>-April 29<sup>th</sup>, 2016: Summer and Fall Registration Open

May 17<sup>th</sup>, 2016: Summer Last Chance Registration Day

May 18<sup>th</sup>, 2016: First Day of Full Session Summer Classes

June 6<sup>th</sup>-July 14<sup>th</sup>, 2016: Fall Registration Open

June 23<sup>rd</sup>, 2016: First Day of Short Session Summer Classes

August 16<sup>th</sup> & 17<sup>th</sup>: Last Chance Registration for Fall Classes

August 18<sup>th</sup>: First Day of Fall Classes

A chart of our regular lateral entry course rotation and matching competency area is included in this letter as well as our specific course offerings for the summer and fall semesters. All courses are 100% online and the cost of each course for North Carolina residents is approximately \$243.

In addition to our regular course rotation for lateral entry teachers, we offer a variety of subject specific courses that can accommodate additional licensure areas. If you have specific needs that you don't see listed, please give us a call, and we will try to accommodate your needs.
