

Foundations of Reading: Test Preparation Course

The Foundations of Reading and General Curriculum test is required for those seeking a K-6 teaching license. This online course will prepare preservice, lateral entry, and teachers new to NC for the Foundations of Reading Test. Activities, strategies, background reading, vocabulary study, practice questions, and resources are provided in each of the tested areas: foundations of reading development, development of reading comprehension, reading assessment and instruction, and integration of knowledge and understanding.

Key Information:

- The training takes approximately 30 hours to complete
- No cost to your district
- Applicants pay \$45.00
- Applicants receive a certificate upon completion of the course (must earn at least an 80% on each module quiz).
- Easy access: applicants just go to www.wresa.org and click on the Foundations of Reading link under WRESA Online PD.
